SEEKING PUBLIC INPUT

The Arizona Supreme Court's Committee on Improving Probate Court Matters is currently soliciting comments from the public regarding suggested improvements to Arizona's method of establishing and overseeing guardianships and conservatorships for vulnerable and incapacitated persons. Specifically, the committee wishes to receive information regarding problems encountered or observed in guardianship or conservatorship cases and any suggested solutions. The committee is not investigating the probate court or any particular case, however, and asks that people refrain from making comments that identify particular case names, numbers, or persons involved in those cases. Persons wishing to comment can do so online by accessing the committee's website, www.azcourts.gov/pcc, and clicking on "Feedback Form" on the left side of the webpage. The site will then guide you on how to submit your comments. Comments may also be mailed to: Arizona State Court Building c/o Committee on Improving Probate Matters, 1501 W. Washington, Suite 104, Phoenix, AZ, 85007.
